

Life-Blend® Triangular Bumper Technical Data Sheet

Product Name	Life-Blend® Triangular Bumper	
Description	This modest triangular bumper is designed with a continuous aluminium retainer, enabling it to withstand mid intensity impacts and prevent damage to walls. The smooth, easy-clean design has no back opening and no horizontal surfaces, preventing accumulation of dust and dirt. The Life-blend® external cover can be replaced, enabling simple maintenance, and is available in a variety of colours for easy customisation.	
Sectors	Suitable for any high-traffic or high-impact environment, including: Healthcare facilities Education facilities Commercial buildings Retail environments Industrial facilities
