

Life-blend® Classic Handrail Technical Data Sheet

Product Name	Life-blend® Classic Handrail	
Description	This handrail is wrapped in Life-blend® for colour customisation and a smooth, hygienic finish. The underlying aluminium supports and continuous aluminium core make it sturdy and durable enough for high-traffic environments. The handrail bar is distinct from the bottom profile to enable a secure grip and support easy cleaning.	
Sectors	Suitable for any high-traffic or high-impact environment, including: Healthcare facilities Education facilities Commercial buildings Retail environments Industrial facilities
